## A Look Inside Indian Accent, the Upscale Import from New Delhi

Here is a look around Indian Accent, the acclaimed New Delhi restaurant that opened a New York outpost **last week**. The owner is Rohit Khattar, the chef is Manish Mehrotra, and Eleven Madison Park veteran Paul Downie and former Cosme assistant general manager Sarah Stafford are running the front of house. The menu is nouveau Indian and is offered both a la carte and as a tasting menu. Take a look at the space below, and if you stop by, do **tell us all about it**.
